Replicating the look and feel of on-site investor conferences, Virtual Investor Conferences combine leading-edge conferencing and investor communications capabilities with a comprehensive global investor audience network.

About Khiron Life Sciences Corp.

Khiron is a vertically integrated global medical and CPG cannabis leader with core operations in Latin America, and operational activity in Europe and North America. Khiron is the first company licensed in Colombia for the cultivation, production, domestic distribution, and international export of both low and high THC medical cannabis products from Colombia to the UK, Peru and Uruguay/Brazil.

Leveraging its first-mover advantage, and patient oriented approach, Khiron combines global scientific expertise, product innovation, agricultural infrastructure, wholly-owned medical clinics, and online doctor education programs to drive prescription and brand loyalty to address priority medical conditions. Its Wellbeing unit launched the first branded CBD skincare brand in Colombia, with Kuida now marketed in multiple jurisdictions in Latin America, the US and UK. The Company is led by Co-founder and Chief Executive Officer, Alvaro Torres, together with an experienced executive team, and a Board of Directors that includes Board Chair and capital markets authority Chris Naprawa, Audit Committee Chair and Founder of Women Get On Board Deborah Rosati, and Vicente Fox, the 55th President of Mexico.
