Hosted by Canaccord Genuity, the 2020 Virtual US Cannabis Symposium is an investor-focused online event that brings together institutional investors and financial leaders and features publicly traded company presentations and one-on-one meetings with senior management teams representing every facet of the cannabis industry.

Khiron CEO and Director Alvaro Torres and Khiron Chairman Chris Naprawa will present and take questions from symposium attendees in real time, and a recording of the presentation will be available for those who are not able to join live on the day of the event.

Recent Company Highlights:

- Became the first company to sell and fill medical cannabis prescriptions in Peru through private pharmacies
- Filled over 3,000 medical cannabis prescriptions in Colombia since receipt of authorization to manufacture and commercialize high-THC medical cannabis.

- Received status of National Interest Strategic Project ("PINES") from the Government of Colombia, enabling Khiron to simplify authorization processes, reduce cost and accelerate time to market for its services and products for the Colombian market and for export.
- Entered partnership with Latin America's largest multi-vertical app platform Rappi to distribute Khiron's Kuida CBD product portfolio across LatAm. Rappi has an average of more than 10 million active users monthly (source: Apptopia), with deliveries for almost 100,000 businesses in LatAm, including over 13 million deliveries in Colombia alone.
- Expanded reach of Khiron's medical cannabis e-learning platform to the UK market in partnership with clinician-led Medical Cannabis Clinicians Society Doctors. Also participating in this program are members of Project Twenty21, the leading medical cannabis registry in the UK where Khiron is the exclusive LatAm provider of medical cannabis to the project.
- Signed distribution deal for Khiron's Kuida CBD product portfolio with DNO Group, bringing the brand to Hong Kong consumers. DNO Group, a leading APAC distributor of global brands, provides access to over 50,000 points of sale throughout the Asian region.
- Launched Dr. Zerenia teleconsultation platform to meet essential needs of Khiron's patient network in Colombia.
- Delivered first medical cannabis prescriptions for patients participating in Project Twenty21 in the UK, with over 8,000 registered patients to date and targeting 20,000 by 2021
- Entered the German medical cannabis market through a comprehensive agreement with Nimbus Health for the import and sale of Khiron branded medical cannabis product and medical training.

About Khiron Life Sciences Corp.

Khiron is a vertically integrated medical and CPG cannabis company with core operations in Latin America, and operational activity in Europe and North America.
